We agree to work together, and with the School, in making decisions about the student's education that are in the student's best interests. Nevertheless, we agree that the School may act on instructions from only one of us in relation to the student's participation in day-to-day School activities. However, we agree not to interfere in any way with the conduct, management or administration of the School.
10. We acknowledge the School requires parents and other members of the community to observe School security procedures for the protection of students from direct contact with those outside the School during school hours and that we are only to make contact through the School office.
11. We understand that the Principal may exclude either of us from entering the School premises or from participating in School activities, recognising that the Principal would normally only do this if we were in breach of these conditions or the Principal had reasonable grounds to believe that our presence could put members of the School community, including students, parents and staff, or School property, at risk of harm.
